Household

- All kitchen surfaces, which by their nature always have a lot of germs (due to the food) and should therefore be clinically clean
- Steam is great for oven or burnt-on leftovers on the ceramic hob
- Sink, but also disinfection of chopping boards e.g.
- Dining table
- Bathtub, Shower, Washbasin, Bidet, WC
- Stuffed animals and toys for babies and toddlers
- Fabric furniture and curtains

Outdoor

- Garden furniture and seating sets (spring cleaning, during/after the pollen season, ongoing cleaning during the year)
- Grill

Car

- All covers to remove stains
- Trunk
- Possibly rims and heavily dried dirt (bird droppings, insects), as steam is the gentlest and strongest cleaning in CarCare

Motorcycles/Bikes/Mopeds

- Frame, saddle, spokes
